

## Printing The Post-Incident Review

- You need 4 letter-sized sheets of paper for this issue of Post-Incident Review
  - The first sheet creates the front and back cover: you can use color paper to give your zine a pop!
- Folded in half, they create a 16 page zine

## Step-by-Step Instructions

- Print page 1 with your cover sheet, and set aside
- Now, print pages 2, 4, 6
- Face up, line the bottom side so it faces right
- Now, print pages 3, 5, 7
- Fold the pages in half
- Order them so they are in the right order
- Nest these pages within your cover page
- You can now fold in half and staple to create your zine!
